

**Does my engine fall under 40 CFR Part 60 Subpart IIII (NSPS IIII)?**  
**Use this checklist to determine if your engine falls under NSPS IIII**

- |   |   |  |
|---|---|--|
| 1. Does your engine burn diesel fuel?   | <input type="checkbox"/> Yes-<br>Continue to<br>question #2                   | <input type="checkbox"/> No-Engine is<br><i>not</i> subject to<br>NSPS IIII  |
| 2. Is your engine a Non-road engine?<br><i>See Non-road engine determination checklist</i>  | <input type="checkbox"/> Yes- Engine<br>is <i>not</i> subject to<br>NSPS IIII | <input type="checkbox"/> No-<br>Continue to<br>question #3                   |
| 3. Did you purchase your engine after July 11, 2005?  | <input type="checkbox"/> Yes-<br>Continue to<br>question #4                   | <input type="checkbox"/> No-<br>Continue to<br>question #6                   |
| 4. Was the engine manufactured after April 1, 2006<br>and is <i>not</i> a fire pump engine? | <input type="checkbox"/> Yes- Engine<br>is subject to<br>NSPS IIII            | <input type="checkbox"/> No-<br>Continue to<br>question #5                   |
| 5. Is the engine a certified fire pump engine<br>manufactured after July 1, 2006?           | <input type="checkbox"/> Yes- Engine<br>is subject to<br>NSPS IIII            | <input type="checkbox"/> No-<br>Continue to<br>question #6                   |
| 6. Did you or any person modify or reconstruct your<br>engine after July 11, 2005.          | <input type="checkbox"/> Yes- Engine<br>is subject to<br>NSPS IIII            | <input type="checkbox"/> No- Engine<br>is <i>not</i> subject to<br>NSPS IIII |
- 

If you have determined that your engine is subject to NSPS IIII  
then you must submit an APEN to the Division.
